

WEBSTER TS SERIES

TS 800 4' X 8' INTERACTIVE BOARD

TS SERIES

The Webster TS Series of interactive whiteboards instantly captures everything written or drawn on its surface. Transform your meeting or classroom into a more productive environment by allowing participants to listen and participate instead of taking notes. At the end of the session, save your notes to a computer so you can print, e-mail, fax, or upload them to the Web. The TS series' interactive projection surface enables users to control a linked Macintosh or PC from the whiteboard, further enhancing the session's productivity.

The four-point calibration process and icon strip located on the board make the system easy to set up and operate. When used in conjunction with teleconferencing products, you can simultaneously broadcast whiteboard displays to remote participants in real time.

Ideal for classrooms and business education environments, Webster TS Series is an economical, interactive visual communication solution.

FEATURES

BENEFITS

TOUCH-SENSITIVE SURFACE

- EASY TO USE
- USES STANDARD DRY ERASE MARKERS

INTERACTIVE PROJECTION ENABLED

- ALLOWS USER TO CONTROL PRESENTATION FROM THE BOARD
- ENHANCES PRESENTATION IMPACT

ELECTRONICALLY CAPTURES WRITTEN INFORMATION

- IMPROVES AUDIENCE PARTICIPATION AND ENHANCES COMPREHENSIVE LEARNING
- ELIMINATES POST-MEETING TRANSCRIPTION
- ENABLES ELECTRONIC COMMUNICATION OF INFORMATION

FEATURES AND TECHNICAL INFORMATION:

MINIMUM COMPUTER REQUIREMENTS

WINDOWS®

- Pentium processor recommended
- 32 MB RAM recommended
- Windows 95, 98, NT, 2000, ME
- Microsoft Windows compatible printer recommended
- One available serial port with 9- or 25-pin D-type male connector

APPLE MACINTOSH®

- PowerBook®, G3, G4, iBook®, iMac™
- 4 MB available RAM
- Available serial port or use optional USB to 9-pin serial adapter
- System software Version 8 or 9
- Macintosh compatible black and white or color printer recommended

COMMUNICATIONS

- Communication speed 192 points/sec, 9600 band

EXPORT FORMATS

WINDOWS

- JPEG (.jpg)
- Bitmap (.bmp)
- TIFF (.tif)
- Metafile (.wmf)
- HTML (.htm)

MACINTOSH

- JPEG (.jpg)
- PICT (.pct)
- Bitmap (.bmp)
- TIFF (.tif)
- MacPaint

- PNG (.png)
- QuickTime Image
- Targa (.tga)

SOFTWARE

- Transfer images via drag & drop, clipboard, or file export
- Supports most Windows compatible printers and video cards in any standard resolution

PEN, ERASER, AND SURFACE SPECIFICATIONS

- Touch sensitive, low-glare, stain-resistant Mylar surface
- Standard dry erase markers provided in black, red, blue, and green
- 3.25" (0.83m) round eraser provided

ELECTRICAL REQUIREMENTS

- Wall mounted DC supply 5W (max), supplied with product

SIGNAL INTERFACE

- RS-232, 9-pin female D-sub connector on the board
- 12' serial cable provided (20' for TS 600 and TS 800) 9-pin female to 9-pin male
- Optional USB to 9-pin adapter for Macintosh

CERTIFICATIONS

- CE

WARRANTY

- Two-year limited warranty included
- Extended warranties available

ACCESSORIES:

CONFERENCE EASEL

Supports Models
TS 400 and TS 600

DELUXE EASEL

Supports Model TS 200

TRIPOD EASEL

Supports Model TS 200
on a tabletop

CARRYING CASE

Holds Model TS 200 —
pocket for Tripod Easel

SOFTWARE

Webware™ Web Posting
Software

PenOffice™ Handwriting
Recognition Software
